

LaCie Desktop Hard Disk

Hi-Speed USB 2.0

Simple & Efficient High-Capacity Storage

Compact & Easy To Use

This simple and efficient USB desktop hard disk is easy for anyone to set-up and use. Impressively compact for its huge storage capacity, it offers a relatively minimal desktop footprint. Driver-free and plug & play, it's ready to use just seconds after removing it from the box. LaCie '1-Click' Backup Software for PC and Mac users is included for quick backups.

Discreet Design & Function

The LaCie Desktop Hard Disk adds a subtle, sophisticated style to your desktop with its quiet, unobtrusive presence - designed to blend into your work environment. Its sleek, all-black metal body offers advanced heat dissipation, which keeps it cool, thereby protecting your important data.

Hi-Speed USB 2.0 Universality

With Hi-Speed USB 2.0 interface, this universal hard disk makes a great storage companion to your PC or Mac computer. Advantages of Hi-Speed USB 2.0 include: universal compatibility, cross-platform convenience, hot-pluggable connections, and high speed transfer rates. It comes pre-formatted for use across Windows & Mac OS platforms.

The Simple Storage Tool

The user-friendly, cost-efficient LaCie Desktop Hard Disk is a great storage tool for your workstation or laptop. Use it to regularly back up your entire system or upgrade capacity when your computer's hard drive is full. Even use it as a reliable data shuttle between USB-equipped desktops and laptops. Conveniently store all of your photos, music files, videos and more with seemingly endless 1TB* (1000GB) capacity.

1TB = 1,400 DivX movies or
270,000 songs or
1,100,000 photos**

- Enormous storage capacity of up to 1TB (1000GB)
- Back up all of your files, music, photos & video
- Easy for anyone to set-up and use
- Quiet, fast and compact for its capacity
