

LaCie Mobile Drive

Hi-Speed USB 2.0

Store, Exchange & Back Up On The Move

Portable Storage For Everyone

The ideal portable USB companion for your computer, the LaCie Mobile Drive delivers generous storage capacity of up to 160GB in an affordable device that fits in your pocket. It features a sturdy, sleek aluminum enclosure to reliably protect your data on the road and it was engineered to be remarkably thin and lightweight so you can take it anywhere.

As Easy As 1-2-3

The LaCie Mobile Hard Drive couldn't be easier to install and use. Simply plug it into your laptop or desktop and save your files with the click of a button. It's plug & play and driver-free for Windows 2000, Windows XP, Mac OS 9.2 and Mac OS X. Helpful driver software is included for Windows 98SE and Windows Me.

Hi-Speed USB 2.0 Performance

This portable storage solution boasts a transfer rate of up to 480Mbps/s while maintaining handy backward compatibility with USB 1.1 interface. Conveniently USB-bus powered, the LaCie Mobile Hard Drive doesn't require an AC adapter. The widely used Hi-Speed USB 2.0 interface connection allows for cross-platform compatibility on both PC and Mac.

Store & Exchange On The Go

If you're looking for an affordable way to transfer and back up data on the move, the LaCie Mobile Hard Drive is your answer. Conveniently travel with your office data in your pocket, briefcase, purse or luggage. Transfer files between home and office or exchange them with coworkers. Share your slideshows or home videos with friends and family when visiting them.

50GB* =

45,000 photos or
11,000 songs or
97 hours of movies.**
